

# Pottery Classes

## First Lesson Free.

We would like to offer you the opportunity to try your hand at pottery. No obligation, just a chance to see how easy pottery can be. We would love to meet you and share with you some of the excitement of creating a piece you will always treasure.

## Some of the things we can share with you.

### Building Techniques

**Wheel Throwing** – learn techniques for throwing on the electric pottery wheel.

**Hand-building** - Slabs, Coils and Pinch Pots, using moulds, found objects or sculpture, small or large.

**Slip Casting** - One or multi piece moulds, from existing moulds or make your own.

### Decoration Techniques

Underglaze, Coloured Slip, Majolica, Sgraffito, Relief, Painting, Masking & Resist Techniques, Lustre and Carving to name a few.

### Firing Techniques

Bisque, Earthenware, Stoneware Oxidation & Reduction, Raku & Lustre.

We provide everything needed to create that masterpiece you have always wished was yours. We cater to your needs. Beginners can create a number of projects that give them the construction techniques needed to develop their

skills until they feel confident to tackle their own project. The more experienced are provided with guidance as needed, to bring their projects to life.

**Work** at your own pace, to your level in your own comfort zone, however if you require assistance with motivation, imagination or anything to achieve your goal, we can help.

**We** are a group of potters who gather together, we enjoy a relatively casual atmosphere of clay creation, friendship and relaxation where our many years of experience can be passed onto you.

**Class times** - Wednesday Morning 9.30am to Midday.

Wednesday Evening 7.00pm to 9.30pm.

Weekend Workshops – once a month on a predetermined date (usually Saturdays) we have an all-day class – 8am to 4.30.

**Other** classes will be considered upon request. All are conducted in our well-equipped studio
